NPS-Euronet

Identification and assessment of new
psychoactive substances (NPS):
a European network

Conference

A one-day conference to discuss the results of the NPS-Euronet Project.

An opportunity for debate on new psychoactive substances (NPS) with international experts, who will present the latest findings on the identification, analysis, risk assessment and monitoring of

NPS in Europe.

Lisbon, 16 April 2018

EMCDDA venue

Praça Europa 1, Cais do Sodré, 1249-289 Lisbon, Portugal
